

TASTE OF ZANZIBAR WEEKEND

SUMMARY

Zanzibar is an island steeped in history and culture. Our exclusive Taste of Zanzibar Weekend provides a perfect mix of learning, touring and relaxation.

The weekend starts in historic Stone Town, a UNESCO World Heritage Site. Discover its vast attractions, including the House of Wonders, an infamous old slave fort and Stone Town's famous fish market.

Zanzibar is the birthplace of Queen's late frontman Freddie Mercury and you will see tributes to him at various locations around Stone Town. Indeed, many people visit the Shangani area of Zanzibar because it is where Freddie Mercury grew up.

After lunch in Stone Town, the tour moves north for a walk through a spice farm. You can smell and taste a variety of famous spices and purchase some great souvenirs and gifts for your friends and family.

After all that exercise, you will be deserving of some down time and we've got just the thing! You'll be heading to Zanzibar's east coast for a relaxing stay at a tranquil beach resort where you can kick back and watch the world go by on the white sandy coastline.

This is a true taste of what Zanzibar has to offer. It is a treat for the senses with the exciting sights of Stone Town and the incredible smells on the spice tour, all rounded off with a relaxing stay at a beach resort.
