

## CCO TASTER TRIP NOVEMBER 2023

# INTRO

**We're launching our first taster trip for CCOs interested in offering the African Adventures programme to their local schools and colleges.**

The 8-night trip departs on 15th November 2023, and will see members of staff from CCOs across the UK travel to Kenya to take part in a live trip, hosted by one of our partner schools in the Rift Valley region.

CCO staff will work together to complete a volunteering project that will make a lasting difference to our partner school – as with every trip we organise.

The trip normally costs £1,870, but we're offering 35% off the cost for this exclusive taster trip, so as many CCOs in the network as possible can take the first step to unlocking thousands of pounds of unrestricted income.
